

WELCOME TO OUR NEW HOME!

124 Evergreen Street, Rochester, New York 14605

WE ARE BACK IN THE NEIGHBORHOOD!

Our team is so excited to be back in the neighborhood, sharing the campus with St. Michael's Church and across the street from our favorite place, The International Plaza. We have worked really hard to retrofit the space to meet our information technology needs, and there is been lots of painting, cleaning and decorating in the past couple weeks. The old convent is such a beautiful space and we are committed to bringing out its architectural character and beauty. Our move signifies the start of a new era for Ibero, an outward expression of our deep commitment to our "barrio" in their time of greatest need, and unapologetically placing our mission front and center.

This location has a long history of providing essential services in the Rochester area. For approximately the first 80 years this building was a Convent where the School of Sisters of Notre Dame lived and taught at the St. Michael's School. The offices used to be home for:

(1980-1988)

- Melita House for pregnant women

(1989-2010)

- St. Michael's Church Office (1st Floor)
- Brockport Migrant Ministry Tutoring Program (2nd Floor)
- St. Michaels' Religious Education Program (2nd Floor)

(2011-2021)

- St. Frances Xavier Cabrini Church Office
- RocActs Office
- St. Vincent de Paul Society Office

Ibero Administration offices locations during past 55 years:

- 938 Clifford Avenue (Concordia Hall) - 1938 (7 years)
- 954 Clifford Avenue - mid 1970's - (10 years)
- 911 East Main Street - mid 1980's
- 817 East Main Street
- 124 Evergreen Street - current location

THANKS FOR YOUR SUPPORT!

"Familia" plays a powerful role in Latino communities and it often extends and always flows deep.

Today, I am grateful for the Ibero family, all of you!

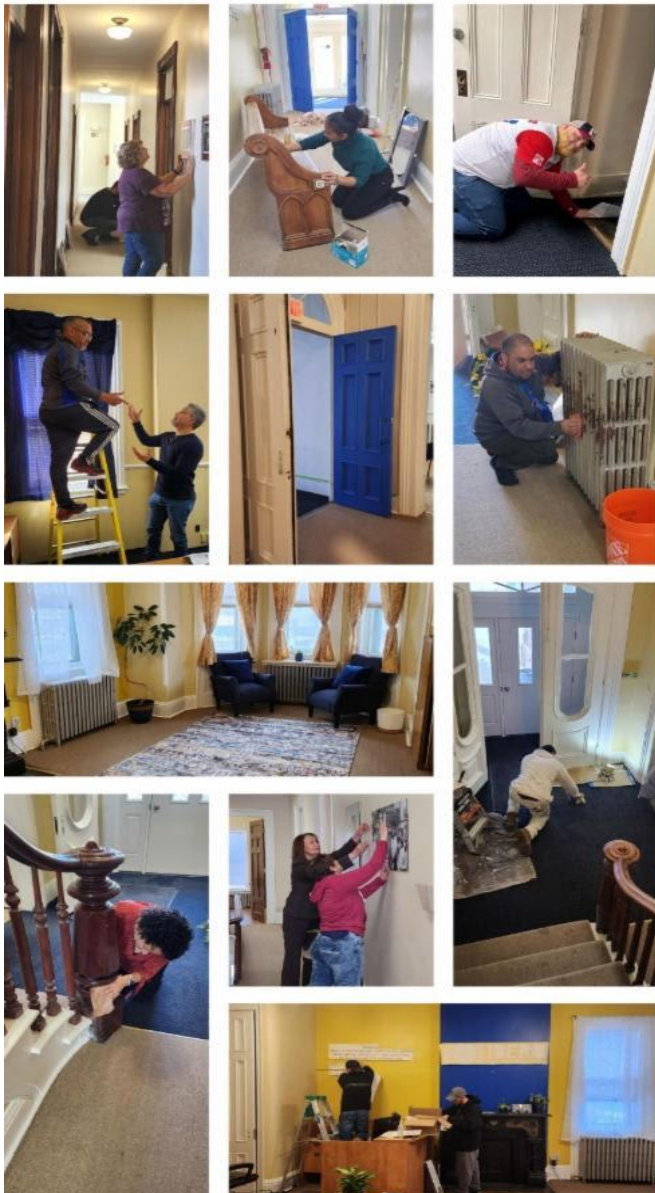

The Rochester community wrapped themselves around our mission and vision to provide the resources needed to bring us back to the neighborhood. Just like our tag line, **Empowering People and Transforming Communities**, you empowered us to transform our new home. To date we have raised a little over \$50,000 to assist with our move and it has been an exciting last couple months. During the hustle and bustle of getting the building ready, I found myself reflecting on how blessed Ibero is to have you as part of our family. I know how much each of you appreciate the work we lead in community, but your support for our move truly made all the difference.

Thank you again for all you do for Ibero and those we serve.
